Brother DCP-315CN

- Print at up to 20ppm mono, 15ppm colour
- Borderless printing
- Network ready
- Backlit LCD screen
- Scan & Translate

- Up to 6,000dpi print resolution
- Up to 100 sheet paper capacity
- 16MB memory
- PhotoCapture Centre™. Compatible with the most popular media cards

Printing text documents or glossy borderless photos has never been so simple. The DCP-315CN comes with integrated networking as standard, enabling you to colour print, copy and scan from any network-connected PC or laptop. A two-line backlit LCD display clearly guides you through each function, making operation easy. The DCP-315CN makes colour copying and scanning as easy as possible.

The flatbed design enables quality copies to be made from bound documents, without the need for a PC.

By including all the necessary scanning software, Brother provides you with access to a range of colour scanning features giving you complete versatility across your network of users. You can effortlessly translate documents from a wide variety of languages using

Brother's scanning software in conjunction with Systran webtranslate.

The fully-featured PhotoCapture Centre™ is compatible with the most popular media cards and allows you to print high quality photos directly. Displayed as an additional drive on your PC or Mac, this feature also enables you to securely save and retrieve photos and documents via your media card to and from any network connected computer.

All Brother colour multi-function products come complete with full yield individual colour ink cartridges, so colours can be replaced separately.

Technical Specifications DCP-315CN
