Space saving

The DCP-7010's compact footprint frees up valuable space in any small office. This stylish machine provides you with an outstanding range of features, including laser printing, digital copying and colour scanning.

Professional printing

There is no need to compromise on performance with this all-in-one. The Brother DCP-7010 produces quality prints at speeds of up to 20ppm and its ample paper capacity means you spend less time re-filling.

Digital copying

The flatbed design enables bound documents to be copied easily. The ability to copy 2 or 4 pages onto one single sheet offers further versatility.

Colour scanning

This machine comes complete with all the necessary scanning software, enabling a range of scanning features including a Scan-to-PDF archiving facility.
