## DCP-7000 Series Laser Multi-Function Copiers

These new monochrome laser Multi-Function Copiers are the perfect companion for any home or small office. Walk-up convenient copying, fast laser printing, and high-quality color scanning are combined into one compact unit to fit comfortably in virtually any workspace. They can be connected via USB\*\* to a computer or used as a stand-alone copier.

Use the document glass to scan documents in color or monochrome to E-mail, File, Image or OCR or the up to 35-page auto document feeder on the DCP-7040 for multi-page scanning and copying, too. Including a host of useful copy features such as reduce/enlarge, multi-copying and the ability to copy 2 or 4 pages onto 1 page to help conserve paper, these new Multi-Function Copiers from Brother® are a great choice for your office needs.

### Key Features at a Glance:
