Clever printers for growing businesses...

Brother's new 7000 series compact mono multifunction laser printers are what businesses have been waiting for...low cost, high performance machines, that can cope with all of today's modern office needs in one space saving unit.

Fast, efficient printing

PRINT

The compact multifunction laser printers offer some of the fastest mono print speeds in their class - delivering real time-savings that will make a significant difference to your business.

Speed doesn't mean a compromise on quality; you'll be delighted with the sharply defined text and clear business graphics for all your documentation needs.

- Up to 22ppm printing speed
- Up to 2400 x 600dpi print resolution
- Up to 250 sheet paper tray

Professional copying

COPY

Flatbed mono copying is available on all the multifunction printers, producing the same high standard results of a standalone copier.

The 7000[†] series offers an automatic document feeder which will copy multiple pages automatically – leaving you to go and do something far more important! It's not work shy, as its stack and sort feature will automatically collate the pages for you. As well as these time-saving features, you can also save paper costs by reducing 2, 4, 9, 16 or 25 page documents very easily on the copier onto a single sheet.

- Up to 99 multi-copies
- Stack and sort functions
- Enlarge and reduce copies from 25% - 400%

† Not available on DCP-7030

The MFC-7320

Hi-resolution colour scanning

You'll be amazed at the full colour scanning capabilities of these multifunction printers. Take a look at the possibilities…

Time saving: scan documents straight to a preferred file on your computer in a format of your choice.

Convenience: scan documents straight to e-mail as an attachment.

Direct editing: scan an image directly to an image editing application so it's ready for editing or printing.

Scan to OCR: gives you the ability to edit a pre-printed document.

- High resolution colour scanning
- Up to 600 x 2400dpi resolution
- 48 bit colour depth

Scanning made simple via the machine control panel

Professional documents

Brother's 7000 series have special features that work hard to produce professional looking documents to impress both colleagues and customers alike.

Booklet printing – producing your documents into an A5 booklet helps to make them look professional and easy to read. At the same time save some money too by cutting up to 75% on paper costs.

Poster printing – print your own posters and notices for the office with this useful feature where you can enlarge a single A4 page into a poster made up of 4, 9, 16 or even 25 pages.

Network connectivity

The DCP-7045N, MFC-7440N and MFC-7840W models come with network capabilities as standard 'out of the box'.

Your multifunction printer becomes even more cost effective as it can support a workgroup of people in the office or home who can now share all of its printing, copying, scanning or fax capabilities reducing the need for multiple devices.

All of our network multifunction printers come with Web Based Management and BRAdmin Professional as standard to help identify and resolve common problems, such as low toner or paper jams without administrators having to leave the desk.

Future proof your business

Your home or office environment may not have wireless connectivity but to help you future proof your growing business, we've future proofed our products.

The MFC-7840W is compatible for both wired and wireless networks so you can introduce a wireless network to your business as you grow without the need to invest in a new printing device. With its 'one-touch' set-up, users can instantly configure their wireless network at the touch of a button (compatible with SES™, AOSS™ and WPS™ protocols – Secure Easy Setup; Airtouch One Setup System; and Wireless Protected Setup).

Faxing made simple (MFC models only)

When you need faxing capabilities, Brother's compact mono multifunction laser printers offer the fastest, most competitive option on the market.

Sending and receiving couldn't be easier – you can store up to 8 of your most frequent numbers so dialling becomes as simple as the touch of a button; you can store a further 200 speed dial numbers to save time; and with its automatic redial and automatic document feeder you can dial and leave the machine to get on with it! Save even more time and money with PC-Fax, giving you the ability to send documents straight to your computer to be faxed.
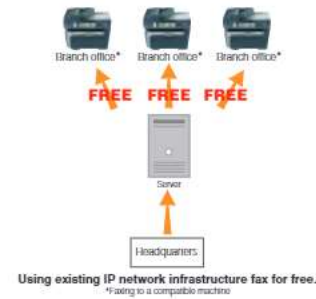

- Up to 35 sheet automatic document feeder
- Up to 33,600bps modem
- 8 one-touch dials
- 200 speed dials
- Up to 400 pages transmit/receive memory

Ultimate cost savings with i-Fax

Available as a download for the MFC-7440N and MFC-7840W, i-Fax enables you to send faxes over the Internet to other compatible machines.

Because the fax is sent over the Internet rather than a dedicated telephone line you are not paying for the distribution costs and can provide considerable savings to any business that send a lot of faxes.

Using existing IP network infrastructure fax for free.
*Faxing to a compatible machine

Consumables that help save you time and money

All Brother's 7000 series of multifunction laser printers come with a separate toner and drum, which means you only need to replace the one that runs out, keeping your running costs low.

If you do a lot of printing use the optional high yield toner and you could reduce your costs even further. To keep it simple we've positioned the toner cartridges at the front so you can change them easily.

Through our award-winning recycling plant in Ruabon Wales, we are committed to recycling your Brother consumables free of charge via a pre-paid labelling service.

The DCP-7045N

DCP-7030 Technical Specifications

General

Technology	Electrophotographic
Type	Mono laser
Memory Capacity	16MB
Warm Up Time	Less than 18 seconds (from sleep mode)
Interface	Full-Speed USB 2.0
Display	2 line, 16 digit LCD

Mono Printer

Print Speed A4	Up to 22ppm
Resolution	HQ1200 (2,400 x 600), 600dpi, 300dpi
First Print Out Time	Less than 10 seconds
Print Language	GDI

Mono Copier

Copy Speed A4	Up to 22cpm
Resolution	Up to 600 x 600dpi
First Copy Out Time	Less than 15 seconds (from ready mode)
Reduction/ Enlargement Ratio	Reduce and enlarge documents from 25% to 400% using 1% increments

Colour Scanner

Resolution	600 x 2,400 dpi (from scanner glass)
Resolution (Enhanced)	19,200 x 19,200dpi
Grey Scale	256 shades of grey are available for copying and scanning
Colour Depth	48 bit internal, 24 bit external
Scan Functions	Scan to E-mail / OCR / Image / File

Paper Handling

Paper Input	250 sheet standard paper tray 1 sheet manual paper feed slot
Paper Output	100 sheets (face down)

Media Specifications

Media Types	Standard paper tray - Plain paper, recycled paper, transparencies (up to 10 pages) Manual feed slot - Plain paper, bond paper, recycled paper, envelopes, labels, transparencies
Media Weights	Standard paper tray - 60 - 105 g/m2 (16 - 28 lb) Manual feed slot - 60 - 163 g/m2 (16 - 43 lb)
Media Sizes	Standard paper tray - A4, Letter, B5 (ISO/JIS), A5, B6(ISO), A6, Exe Manual feed slot - Width 76.2 to 220 mm, length 116 to 406.4 mm

Printer Driver Software

Windows®	Windows Vista®, Windows® XP Professional (32 & 64 bit editions) / XP Home Edition, Windows® 2000 Professional
Macintosh®	Mac OS X® 10.2.4 or greater
Linux**	Printer driver for Linux

Functions

N-up Printing	Reduce up to 2, 4, 9, 16 or 25 A4 pages to 1 A4 page
Poster Printing	Enlarge 1 A4 page into a poster using 4, 9, 16 or 25 A4 pages
Watermark Printing	Print documents with predefined text or user-defined messages
Quick Print Set-up	Select print options in the driver quickly
Manual Duplex	Manually print on both sides of the paper

Supplies

In-box Toner	Approx. 1,000 pages*
Standard Toner	TN-2110 - Approx. 1,500 pages*
High Yield Toner	TN-2120 - Approx. 2,600 pages*
Drum	DR-2100 - Approx.12,000 pages

Dimensions / Weight

With Carton	550(W) x 510(D) x 454(H) mm / 13.4kg
Without Carton	428(W) x 396(D) x 257(H) mm / 9.9kg

Others

Power Consumption	320W copying 75W ready 8W sleep
Noise Level	Sound Pressure - Less than 53dBA when printing, less than 32dBA in standby Sound Power - Less than 6.2B when printing, less than 4.4B in standby
Ecology	Power Save - Consume less energy when not in use Toner Save - Reduces toner usage
Laser Classification	Class 1 Laser Product (IEC 60825-1:2001)

* Approx. cartridge yield is declared in accordance with ISO/IEC 19752. (Letter/A4)
** Optional free downloads available from http://solutions.brother.com

DCP-7045N as above plus

- Network ready
- Up to 35 sheet automatic document feeder
- 32MB memory
- PCL6 and BR-Script 3 emulation
- Back-lit LCD
- Supplied with 1500 page toner

Dimensions / Weight

Without Carton (w x d x h)mm: 428 x 396 x 304 9.9kg

(DCP 7045N only)
