DCP-J4120DW Technical Specifications

The DCP-J4120DW is packed full of features and is one of the most compact All-In-One inkjet printers capable of printing up to A3 size by using its rear manual feed slot.

Printing in A4 at speeds of up to 20ipm (mono) and 18ipm (colour), it allows you to present professional quality documents without the wait, while high yield ink cartridges that can print up to 1,200 pages ensure low costs without sacrificing on quality.

Print 3.0 is all about convenient printing. Connect your smartphone or tablet to the DCP-J4120DW and print from/scan to your mobile device through Brother's iPrint&Scan app. Connect wirelessly over your network to scan and print documents from your desktop PC.

You can also connect directly to the web from your printer to scan to; or print from Dropbox, Google Drive, Box, OneDrive, PICASA™, FLICKR®, EVERNOTE™, and OneNote.

All Brother inkjet multifunction printers incorporate an ink system with four individual ink cartridges – meaning you only need to replace the ink that runs out – reducing waste and saving you money. The DCP-J4120DW is also compliant with strict ENERGY STAR, Blue Angel and Nordic Swan environmental standards to ensure low energy consumption, low noise levels and a recycle-friendly design.

GENERAL

Memory capacity	128MB
Connectivity	USB 2.0, Wireless 802.11b/g/n,
Mobile connectivity	iPrint&scan app, Airprint, Google Cloud Print(TM), Wi-Fi Direct
Display	6.8 cm LCD touchscreen display

COLOUR PRINTER

Speed (laser comparable)*	Up to 20ipm mono & 18ipm colour
2-sided print	Automatic up to A4
Resolution	Up to 6,000 x 1,200 (vertical x horizontal)

THE ALL-IN-ONE INKJET THAT'S A PERFECT FIT FOR YOUR BUSINESS

WELCOME TO **PRINT 3.0**

THE **DCP-J4120DW**

THE PERFECT FIT FOR YOUR BUSINESS

Change how you look at office printing. The DCP-J4120DW is a robust inkjet printer designed specifically to enhance productivity. Features such as automatic 2-sided print, connectivity to your mobile devices and A3 printing are all packed into its compact size, raising efficiency without losing valuable desk space.

Welcome to a new age of printing. WELCOME TO **PRINT 3.0.**

ENHANCED CONNECTIVITY

With built-in wireless networking, the cloud connected DCP-J4120DW ensures seamless connections to your PC and mobile devices. Scan to and print directly from cloud services such as Dropbox, Evernote™ and Google Drive to digitise your paper-based content.

MOBILE INTEGRATION

Brother's mobile print and scan app provides seamless compatibility with Apple, Android and Windows devices. Print from or scan to your smartphone or tablet using the easy-to-use Brother iPrint&Scan app.

PRODUCTIVE

The DCP-J4120DW comes packed with a range of productivity solutions to help streamline your work, boasts fast print and scan speeds, and has an intuitive touch screen that's easy to navigate.

COST EFFECTIVE

High yield ink cartridges capable of up to 1,200 black and colour prints combined with other cost-saving features like 2-sided printing and ink save mode help to lower operating costs.
PROFESSIONAL

Ensure that your business is noticed by using the rear feed slot to print documents in A3 size. With a resolution of up to 6,000 x 1,200dpi, your prints will always look professional.
