

## Unpack the machine and check the components

Read the Product Safety Guide first, then read this Quick Setup Guide for the correct installation procedure.

### NOTE:

- The components included in the box and the AC power plug may differ depending on your country.
- The illustrations in this Quick Setup Guide are based on the MFC-L2700DW.
- You must purchase the correct interface cable for the interface you want to use.

#### USB cable

We recommend using a USB 2.0 cable (Type A/B) that is no more than 2 metres long.

#### Network cable

Use a straight-through Category 5 (or greater) twisted-pair cable for 10BASE-T or 100BASE-TX Fast Ethernet Network.

#### Secure Network Access

Your machine's default password is on the label on the back of the machine (preceded by "Pwd"). We strongly recommend you change it to protect your machine from unauthorised access.

## 1 Remove the packing materials and install the toner cartridge

## 2 Load paper in the paper tray

## 3 Connect the power cord and turn on the machine

## 4 Select your country/language (Initial setup only)

After turning on the machine, you may be required to set your country or language (depending on your machine). If required, follow the on-screen instructions.

## 5 Select your language (If needed) (Only for certain models)

1. (DCP model)
  - a. Press **Menu**.
  - b. Press **▲** or **▼** to display *General Setup*, and then press **OK**.
  - c. Press **▲** or **▼** to display *Local Language*, and then press **OK**.
 (MFC model) Press **Menu**, **0**, **0**.
2. Press **▲** or **▼** to select your language, and then press **OK**.
3. Press **Stop/Exit**.

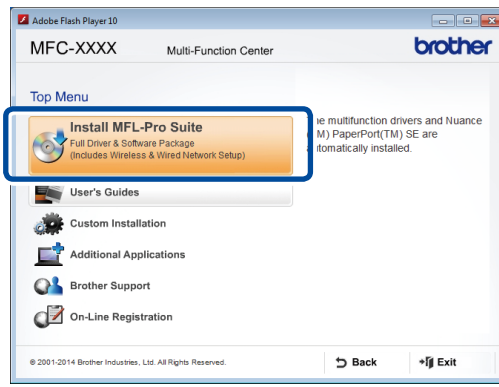

## 6 Connect the machine to your computer/mobile device

- Windows® PC with a CD-ROM drive, go to step **6A**
- Windows® PC without a CD-ROM drive, go to step **6B**
- Macintosh, go to step **6B**
- Mobile device users with a WPS/AOSS™-supported access point/router, go to step **6C**

**NOTE:**  
If the Brother screen does not appear automatically, go to **Computer (My Computer)**. (For Windows® 8: click the **File Explorer** icon on the taskbar, and then go to **Computer**.) Double-click the CD-ROM icon, and then double-click **start.exe**.

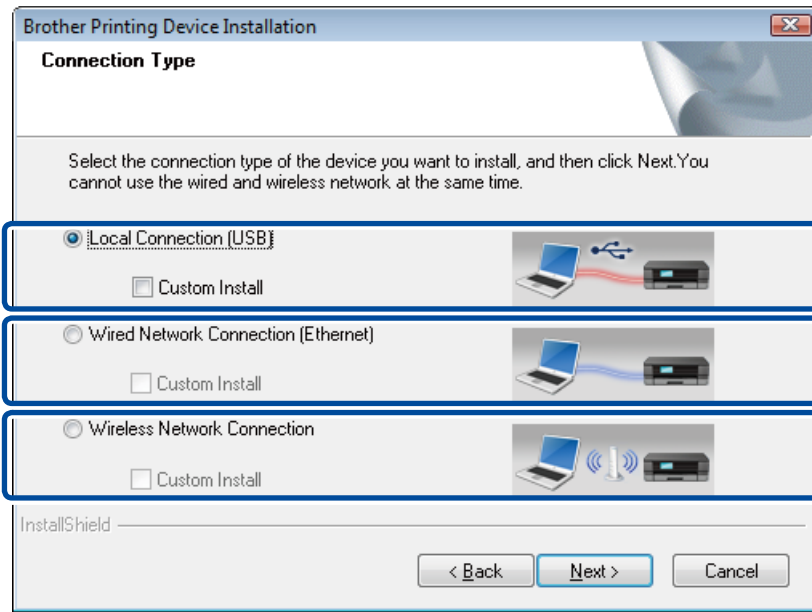

Follow the on-screen instructions to continue installation until either the **Connect the machine** or the **Connection Type** screen appears.

■ **Connect the machine:** Follow the on-screen instructions to continue installation.

■ **Connection Type:**

**Finish**

### Connection Type

For USB Connection

For Wired Network Connection  
Connect a network cable first.

For Wireless Network Connection  
We recommend preparing a USB cable to use temporarily during the wireless setup.

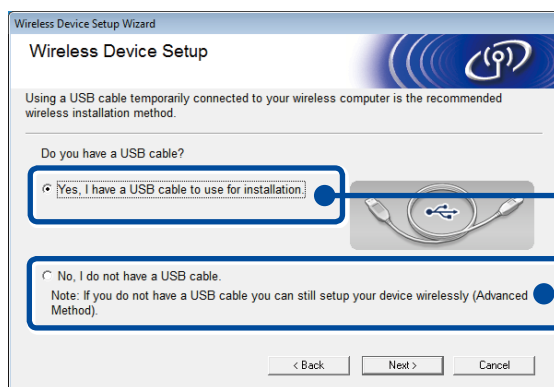

Follow the on-screen instructions to continue installation.

**Finish**

**NOTE:**  
If connection is unsuccessful, repeat this step.

### Wireless Network Connection

**[Recommended]**  
Select this option if you have a USB cable to use temporarily for wireless setup.

Select this option if you do not have a USB cable.

Follow the on-screen instructions to continue installation.

**Finish**

**NOTE:**  
If connection is unsuccessful, repeat this step.

Download the full driver and software package from the Brother Solutions Center.

(For Windows®) [solutions.brother.com/windows](http://solutions.brother.com/windows)

(For Macintosh) [solutions.brother.com/mac](http://solutions.brother.com/mac)

After you download the driver and software package, follow the on-screen instructions until the **Connection Type** screen appears. Refer to **6A Configuration using the CD-ROM (Windows®)**.

If your wireless LAN access point/router supports automatic wireless (one-push) setup (WPS/AOSS™), you can set up your machine without using a computer.

Press the WPS or AOSS™ button on your wireless LAN access point/router.

Press the **WiFi** button on your machine.

Wireless setup is now complete.

**NOTE:**  
Before you can use your machine with your mobile device, download "Brother iPrint&Scan."

### Print and scan using your mobile device

Download "Brother iPrint&Scan" to start using your machine with mobile devices.
