

# HL-1850/HL-1870N

High speed laser printers with automatic duplex as standard

Up to 18ppm

**Built-in** automatic duplex

**Network Ready** (Standard HL-1870N, optional HL-1850)

Compatible

Mac OS Compatible

**USB Standard** 

Upgradeable 24 hour 7 day Online Help

Up to 600 page paper capacity

# The professional printing solution for stand-alone users and small workgroups

HL-1850/ HL-1870N The Brother HL-1800 series printers are designed to meet your professional printing requirements and combine total quality with performance and reliability. As well as outstanding quality, various economical features of the HL-1800 series printers mean real cost benefits are provided along with a professional finish to all your documents.

- Up to 18ppm print speed
- Built-in automatic duplex
- 16MB of standard memory, expandable up to 144MB
- Up to 600 sheet paper capacity (with optional tray)\*
- Easy to use control panel
- 3 Colour backlit LCD
- Easy to replace long life supplies
- Advanced Network capabilities with the optional 10/100Base TX fast Ethernet connection

## HL-1870N

- Up to 18ppm print speed
- Built-in automatic duplex
- Connectivity 10/100 BaseTX,
   USB and Parallel interfaces built-in
- Up to 600 sheet paper capacity (with optional tray)\*
- Easy to use control panel
- 3 Colour backlit LCD
- Easy to replace long life supplies
- 32MB of standard memory, expandable up to 144MB

\* At 75 gsm plain paper

# **Features**

#### **Flexibility**

As well as having built-in automatic duplex, there are three possible input sources, including standard, multi-purpose trays and an optional lower tray, giving a maximum 600 sheet capacity that allows the support of 3 different media types and sizes at any one time.

#### **Connectivity**

To maximise the flexibility of the 1800 series printers they support most PC and Mac computing environments, and are equipped with parallel and USB ports as standard.

#### **Ease of use**

Designed to be user friendly, the control panel is clear and simple to use. It has a 3 colour backlit LCD which changes colour so that the status of the printer can be easily recognised.

# **On-line support**

On-line Interactive Help feature assists you on your screen any time you need product support.

#### **Useful Software features**

HL-1800 series printers provide, useful software is included to help improve productivity and ease of operation of the products even more.

# Secure Print Function

Allows users to send

confidential documents from their

Windows applications in secure mode. Confidential documents can only be printed by entering a PIN number on the printer front panel, or by logging on to the printer using a web browser and selecting the secure print option.

#### **E-mail Notification**

Can prevent long delays at the printer due to an empty paper tray or paper jam, etc. Will automatically send an E-mail message to an individual or a group of users informing them of the printer's status.

# **Printer Deployment Wizard**

Step-by-step guide to the installation of your Brother network printer in a Windows environment.

## **Quick Print Set-up**

Enables changes to the printer driver settings from the task bar without having to open the properties dialogue box.
