

DIGITAL COLOR PRINTER

with Convenient Copying and Scanning

HL-3180CDW

brother
at your side

HL-3180CDW

If you're looking for a fast, reliable digital color printer for your small business, the Brother HL-3180CDW may be exactly what you need. It takes big business features like an intuitive 3.7" Touchscreen display, mobile device printing[□] and wireless networking, and packs them into an affordable compact printer to fit your small business workspace and budget. It's ideal for businesses that need a printer / copier / scanner that need to primarily print black business documents, but also need to print professional-quality color documents in-house.

^{*} PostScript[®]3[™]compatible.

[‡] Windows Only.

[†] Additional purchase required.

[◊] Maximum number of printed pages per month can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.

[◻] Requires connection to a wireless network. See www.connectprintshare.com for more details, availability and mobile device compatibility.

[□] Server 2003/2008/2008R2 printing only.

[▲] Requires an internet connection and account with desired service. See www.connectprintshare.com for details.

^{*} The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond this range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.

[▲] Approximate yield in accordance with ISO/IEC 19798 (Letter/A4).

^{**} Drum yield is approximate and may vary based on type of use.

^{**} Approximate yield based on A4 or Letter size single-sided pages.
