

The Brother HL-5270DN

This multi-platform printer performs as well as it looks, with built-in 10/100 Base-TX network, automatic duplex and an LCD screen as standard.

Brother HL-5270DN

Fast and Efficient

Brother has designed the HL-5270DN with the modern office in mind. With both high speed and high resolution, you can consistently produce crisp professional documents. The 3 colour LCD screen provides clarity by continuously updating you on the status of your machine, avoiding any unnecessary delays.

A range of printing functions to make office life easier

It is inevitable that multiple users will require a printer that is compatible across a range of platforms. The HL-5270DN has been designed with this in mind, and operates across systems such as Windows®, MacOS®, Linux, Unix and DOS. Connecting to your printer couldn't be easier, as Hi-Speed USB 2, Parallel and Ethernet ports are all provided as standard.

- Up to 28ppm mono printing speed
- 10/100 Base-TX network as standard
- 32MB memory (expandable up to 544MB)
- Up to 50 sheet multi-purpose tray
- Up to 250 sheet paper tray (expandable up to 500 or 750 sheets with 2 optional trays)

- Hi-Speed USB 2 and Parallel connectivity
- Duplex printing as standard
- 1,200 x 1,200dpi printing resolution
- 3 Colour LCD
- Separate high yield toner and drum

Great value and cost efficiency from quality supplies

Supporting your workgroup as printing demands increase is easy. The HL-5270DN comes with a high yield 7,000 page toner as standard, providing further savings and greater efficiency. The standard paper capacity of 250 sheets can be increased to 750 by utilising two optional paper trays. Additional to this is a 50 sheet multi-purpose tray, suitable for alternative media stock, such as labels and envelopes.

Advanced Network Printing Performance

The HL-5270DN comes with a 10/100 Base-TX Network as standard and with a memory capacity that is fully upgradeable, this printer easily adapts to the changing requirements of your network of users. With integrated automatic duplex printing across your workgroup, you benefit from increases in both efficiency and cost savings by reducing running costs and paper usage.

Technical Specifications HL-5270DN

Technology	A4	Electrophotographic
Print Speed		Up to 28ppm
First Print Time		Less than 8.5 sec
Resolution	Windows® 95 / 98 / Me and NT®4.0 / 2000 / XP Mac OS® Linux DOS	1,200 dpi, HQ1200, 600 dpi, 300 dpi 1,200 dpi, HQ1200, 600 dpi, 300 dpi 600 dpi, 300 dpi 600 dpi
CONTROLLER		
Processor		266MHz
Memory		32MB (Maximum 544MB)
Interface		IEEE 1284 Parallel, Hi-Speed USB 2, 10/100 Base-TX Ethernet
Network Protocols	IPv4	ARP, RARP, BOOTP, DHCP, APIPA (Auto IP), ICMP, WINS/NetBIOS, DNS, mDNS, LPR/LPD, Port9100, IPP, SMB Print, FTP, SNMP, HTTP, TELNET, SMTP, TFTP
