NOTE:
• Manuals in Spanish for this model are available on the Brother Solutions Center. (USA only): solutions.brother.com/manuals
  Los manuales en español de este modelo están disponibles en el Brother Solutions Center. (Solamente en los Estados Unidos): solutions.brother.com/manuals
• The available connection interfaces vary depending on the model.
• You must purchase the correct interface cable for the interface you want to use.

    USB cable
    We recommend using a USB 2.0 cable (Type A/B) that is no more than 6 feet (2 meters) long.

    Network cable
    (For HL-L5100DN / HL-L5200DW(T) / HL-L6200DW(T))
   Use a straight-through Category 5 (or greater) twisted-pair cable.
    Parallel cable
    (For HL-L5000D)
    Use the parallel cable provided with the machine.

• The illustrations in this Quick Setup Guide show the HL-L6200DW.

---
