Product Safety Guide

Brother Installation Disc

Telephone Line Cord

(for UK)   (for others)

Maintenance Sheet

Power Cord

NOTE
• Most of the illustrations in this Quick Setup Guide show the MFC-J6930DW.
• Save all packing materials and the box in case for any reason you must ship your machine.
• **You must purchase the correct interface cable for the interface you want to use.**

USB cable
We recommend using a USB 2.0 cable (Type A/B) that is no more than 5 metres long.
Ethernet (Network) cable
Use a straight-through Category5 (or greater) twisted-pair cable for 10BASE-T or 100BASE-TX Fast Ethernet Network.

Secure Network Access
Your machine's default password is on the label on the back of the machine (preceded by "Pwd").
We strongly recommend you change it to protect your machine from unauthorised access.

2 Load plain A4 paper

Do not exceed this mark (▼▼▼).

Adjust the paper guides.

Pull the paper tray completely out of the machine as shown by the arrow.
Fan the paper well.

Load the paper in the tray.

Slowly push the paper tray completely into the machine.

Pull out the paper support until it locks into place.

3 Connect the power cord

(Example for UK)

Connect the power cord. The machine will power on automatically.

NOTE
You can adjust the control panel angle to read the Touchscreen more easily.
4 Select your country or language (Initial setup only)

After turning the machine on, you may need to set your country or language (depending on your machine).
If required, follow the Touchscreen instructions.

5 Set the date and time

Follow the Touchscreen instructions to set the date and time.
6 Install the inbox ink cartridges

Open the ink cartridge cover, and then remove the orange protective part from the machine.

NOTE
Follow the Touchscreen instructions to store the orange protective part inside the machine. If you must transport the machine, remove the ink cartridges and replace this part.

Follow the Touchscreen instructions to unpack and install the ink cartridges.
The machine will prepare the ink tube system for printing.

Quickly shake just the **black** ink cartridge horizontally 15 times as shown, before inserting it into the machine.

7 Machine settings

When the machine has finished the initial cleaning process, follow the Touchscreen instructions to configure the machine's settings.
• Check print quality
• Configure the tray settings
• View operation tips
• Set Brother LCD Message defaults
• Print the installation sheet

## 8 Select your language (if needed and only for certain models)

1. Press [Settings] > [All Settings] > [Initial Setup] > [Local Language].
2. Press your language.
3. Press .

9 Connect the telephone line cord
If you are not using your machine as a fax, go to 10 .
(Example for UK)

Lift the scanner cover.

Connect the telephone line cord.
Use the socket marked **LINE** and guide the cord out the back of the machine.

NOTE
If you are sharing one telephone line with an external telephone, connect it as shown below.

① . Extension telephone
② . External telephone

Close the scanner cover.

## 10 Select a device to connect to your machine

Computer
Go to **11** and follow the instructions.

Mobile Device
Go to **12** and follow the instructions.

---

11 Connect your computer

Brother regularly updates firmware to add features and apply bug fixes.
To check for the latest firmware, visit solutions.brother.com/up2.

Download

Put the installation disc into your CD/DVD drive, or download the Full Driver & Software Package at:

For Windows®: solutions.brother.com/windows
For Macintosh: solutions.brother.com/mac

If you are using a recently released operating system on your computer, visit the above websites for updated driver and software information.

Follow the on-screen instructions and prompts.

For Windows®:
If the Brother screen does not appear automatically, go to **Computer** (**My Computer**/**This PC**). Double-click the CD/DVD-ROM icon, and then double-click **start.exe**.

For Macintosh:
For full driver functionality, we recommend choosing the **CUPS driver** when adding a printer.

For Wired Network Connection and USB Connection:
Locate the correct port (based on the cable you are using) inside the machine as shown.

Finished

Can't Connect? Check the following:

Wireless network → Restart your wireless access point/router (if possible). →

Wired network
USB connection → Disconnect the cable. →

Restart your machine and computer, and then go to **11** →
If still not successful, go to **12**

If still not successful, visit support.brother.com for FAQs and Troubleshooting.

12 Alternative wireless setup

Even if you do not have a wireless access point/router, you can connect your device and your machine directly. For additional wireless network support, go to solutions.brother.com/wireless-support.

Find your SSID (Network Name) and Network Key (Password) on your wireless access point/router and write them in the table provided below.

SSID (Network Name)	
Network Key (Password)	

SSID: XXXXXXX
Network key: XXXX

If you cannot find this information, ask your network administrator or wireless access point/router manufacturer.

Go to your machine, and press [WiFi] > [Setup Wizard] > [Yes].

00:00 01.01.2017   1 / 3
Fax   Copy   Scan
Shortcuts   WiFi

Select the SSID (Network Name) for your access point/router and enter the Network Key (Password).

When the wireless setup is successful, the Touchscreen displays [Connected].

If setup is not successful, restart your Brother machine and your wireless access point/router, and repeat **12**

For Computer
Go to **11** to install software.

For Mobile Device
Go to **13** to install apps.

---

13 Print or scan using your mobile device

Brother SupportCenter is a mobile app that provides the latest support information for your Brother product.
Visit the App Store or Google Play™ to download.

Download and install our free application "**Brother iPrint&Scan**" from a mobile application store, such as the App Store, Google Play™ or Windows Phone® Store using your mobile device.

brother

NOTE
Your mobile device and machine must be connected to the same wireless network.
