Quick Setup Guide

Product Safety Guide

Watch our Video FAQs for help with setting up your Brother machine: solutions.brother.com/videos.
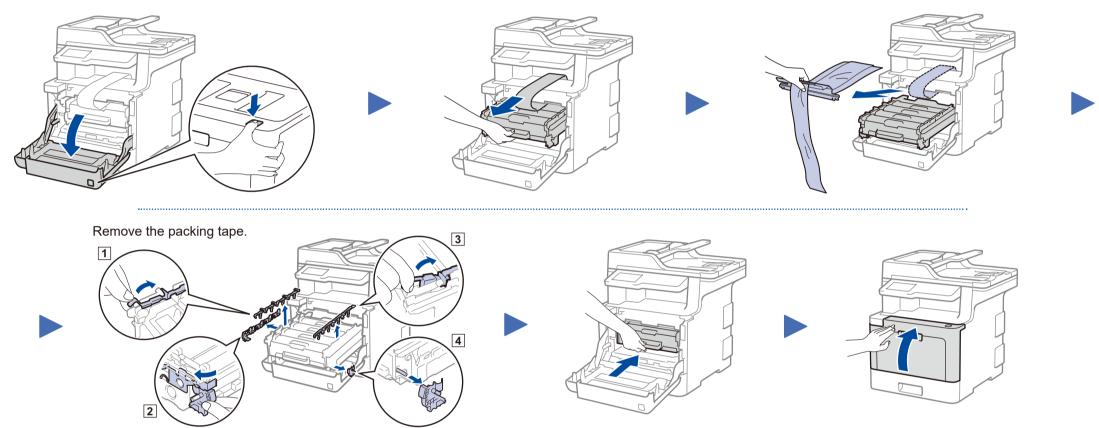

NOTE:
• Manuals in Spanish for this model are available on the Brother Solutions Center. (USA only): solutions.brother.com/manuals
Los manuales en español de este modelo están disponibles en el Brother Solutions Center. (Solamente en los Estados Unidos): solutions.brother.com/manuals
• The components included in the box may differ depending on your country.
• The available connection interfaces vary depending on the model.
• Interface cables are not included. You must purchase the correct interface cable if you require one.
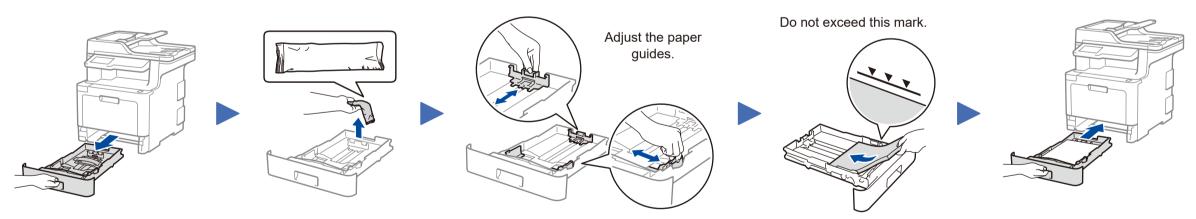

USB cable
We recommend using a USB 2.0 cable (Type A/B) that is no more than 6 feet (2 meters) long.

Network cable
Use a straight-through Category 5e (or greater) twisted-pair cable.

---

1 Remove the packing materials and install the drum unit and toner cartridge assembly

Remove the packing tape.

---

2 Load paper in the paper tray

Adjust the paper guides.

Do not exceed this mark.

---

3 Connect the power cord and turn on the machine

Back

Front

4 Connect the telephone line cord

If you do not plan to use the fax feature on this machine, go to step 5.

---

5 Select your language (if needed)

1. On the machine's Touchscreen, press [All Settings] > [Initial Setup] > [Local Language].
2. Press your language.
3. Press 🏠.

6 Configure the machine for faxing

If you do not plan to use the fax feature on this machine, go to step 7.

NOTE:
• For more information on using the fax feature, see the *Online User's Guide*.
• Your machine is programmed to automatically receive faxes. To change this default mode, see the *Online User's Guide*.

A. Set the date and time
Press [All Settings] > [Initial Setup] > [Date & Time], and then set the date and time you want.
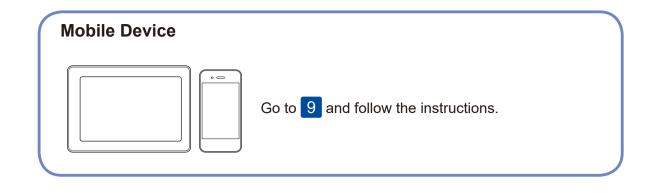

B. Set the Station ID
Press [All Settings] > [Initial Setup] > [Station ID], and then set your fax or telephone number and your name.
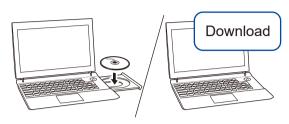

7 Select a device to connect to your machine

Computer

Go to **8** and follow the instructions.

Mobile Device

Go to **9** and follow the instructions.

---

8 Connect your computer

Download

Put the installation disc into your CD/DVD drive, or download the Full Driver & Software Package at:

For Windows®: solutions.brother.com/windows
For Macintosh: solutions.brother.com/mac

If you are using a recently released operating system on your computer, visit the above websites for updated driver and software information.

Brother regularly updates firmware to add features and apply bug fixes. To check for the latest firmware, visit solutions.brother.com/up3.

▶ **Follow the on-screen instructions and prompts.**

For Windows®:
If the Brother screen does not appear automatically, go to **Computer (This PC)**. Double-click the CD/DVD-ROM icon, and then double-click **start.exe**.

For Macintosh:
For full driver functionality, we recommend choosing the **CUPS driver** when adding a printer.
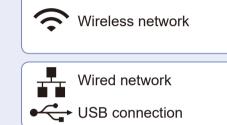

▶ **Finished**

For Network Users: Important Notice for Network Security
The default Web Based Management password is located on the back of the machine and marked "**Pwd**".
We recommend immediately changing the default password to use network tools/utilities securely and to protect your machine from unauthorized access.

Can't Connect? Check the following:

📶 Wireless network	▶ Restart your wireless access point/router (if possible).	▶
🖧 Wired network / 🔌 USB connection	▶ Disconnect the cable.	

Restart your machine and computer, and then go to **8**.

▶ If still not successful, go to **9**.

▶ If still not successful, visit support.brother.com for FAQs & Troubleshooting.

---

9 Alternative wireless setup

Find your SSID (Network Name) and Network Key (Password) on your wireless access point/router and write them in the table provided below.
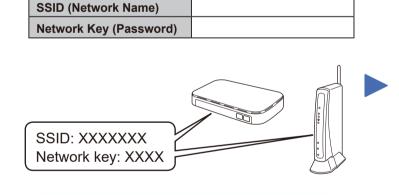

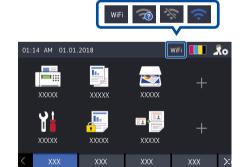

Even if you do not have a wireless access point/router, you can connect your device and your machine directly. For additional wireless network support, go to solutions.brother.com/wireless-support.

SSID (Network Name)	
Network Key (Password)	

SSID: XXXXXXX
Network key: XXXX

If you cannot find this information, ask your network administrator or wireless access point/router manufacturer.

Press [WiFi] > [Setup Wizard] > [Yes].

01:14 AM 01.01.2018

Select the SSID (Network Name) for your access point/router and enter the Network Key (Password).

When the wireless setup is successful, the Touchscreen displays [Connected].

If setup is not successful, restart your Brother machine and your wireless access point/router, and repeat **9**.

▶ **For Computer**

Go to **8** to install software.

▶ **For Mobile Device**

Go to **10** to install apps.

---

10 Print or scan using your mobile device

Your mobile device must be connected to the same wireless network as your Brother machine.

Brother SupportCenter is a mobile app that provides the latest support information for your Brother product.
Visit the App Store or Google Play™ to download.

Works with Apple AirPrint

AirPrint is available for Apple device users. You do not need to download any software to use AirPrint. For more information, see the *Online User's Guide*.

brother

Download and install our free application **Brother iPrint&Scan** from a mobile application store, such as the App Store, Google Play™ or Microsoft® Store using your mobile device.

Optional apps
You can print from and scan to your mobile device using various apps.
(USA only) For more information on apps, visit www.brother-usa.com/connect.
For instructions, see the *Online User's Guide*.
