

# The HP LaserJet 3100 Printer•Fax•Copier•Scanner

## **Technical Data**

The HP LaserJet 3100 is a versatile business tool that delivers convenient printing, faxing, copying and scanning capabilities in a single device, and enables you to communicate more effectively with customers and clients. Powerful software provides simple access to HP LaserJet 3100 features and increases productivity by letting you manage documents with ease. Best of all, the HP LaserJet 3100 delivers the quality and reliability you've come to expect from Hewlett-Packard.

### Fast, Professional **HP LaserJet Print Quality**

High-quality laser printing with true 600 x 600 dpi resolution makes all your important documents look their professional best, no matter what media you're printing onlabels, card stock, specialty papers, transparencies, envelopes and more. Quality document scanning at 600 dpi enhanced with 256 levels

of gray ensures that scanned documents are legible and crisp on screen.

No warmup time means documents print, scan or copy quickly-up to six pages per minute. You can also fax documents at six seconds per page for fast completion of important tasks. The HP LaserJet 3100 even lets you accomplish multiple tasks simultaneously, like printing while receiving or sending faxes, receiving faxes while copying or scanning, and more.

#### Do More at Your Desktop; **Print-Fax-Copy-Scan**

The HP LaserJet 3100 comes with 2 Mbytes (150 pages) of fax memory and works as a standalone fax machine or copier. even without a PC or with your PC turned off. You get clear copies of text and graphics with 600-dpi interpolation and photo mode.

### All the essentials, all in one.

The HP LaserJet 3100 scans faxes quickly and transmits from memory so you can send multiple faxes without waiting. Incoming faxes are stored in memory and print automatically once the printer is free.

You can use the included PC fax software to send faxes electronically from your PC, or have the HP LaserJet 3100 route incoming faxes to your desktop.

Additionally, the HP LaserJet 3100 saves you time with professional Optical Character Recognition (OCR) software, which lets you scan documents into your word processing application without having to retype the entire document.

#### The HP Reliability That **Business Demands**

The HP LaserJet 3100 is easy to set up and even easier to useone simple software installation and you've got quick access to powerful features via the front panel or through the intuitive graphical interface on your desktop. The HP LaserJet 3100 is compatible with Microsoft® Windows<sup>®</sup> 3.1x, Windows<sup>®</sup> 95 and Windows® NT 4.0 and is backed by HP's industryleading reputation for reliability, plus a one-year warranty with HP's Express Exchange and Custom Care Support Program.

## The Versatile, All-in-One Business Tool

## **Printer**

#### Exceptional Speed and Print Quality

- Professional laser printing with true 600 x 600 dpi resolution
- Jobs finish quickly with a fast 6-pages-per-minute print engine
- Multitasks easily—lets you print documents, even while sending or receiving faxes
- Create print documents as small as 3 x 5 inch cards and as large as legal size
- Flexible media handling—prints on plain and specialty papers, labels, envelopes, transparencies, card stock and postcards
- Input and output trays handle up to 100 pages

## Fax and PC Fax

### Professional Fax and PC Fax Functionality

- Works as a standalone fax even without a PC
- 2 Mbytes (150 pages) of fax memory enables true multitasking—sends and receives faxes while printing, receives faxes while copying or scanning
- Fast faxing at 6 seconds per page with 14.4 Kbps modem
- 30-page automatic document feeder
- Stores incoming faxes in memory while you are away from the office for remote retrieval
- Stores up to 175 speed-dials and 25 group lists for efficient faxing
- PC fax software is fully integrated with device—compose and send faxes right from your computer, or have incoming faxes automatically routed to your desktop

#### **Document Assistant**

Using the HP LaserJet 3100 for all your demanding business needs couldn't be easier. Whenever you place a document in the device's automatic document feeder (ADF), a dialog box will pop up on your screen. From here, you have one-button access to user interfaces for scanning, PC faxing and copying features.

### Powerful, Easy-to-Use Software Quickly Puts You in Command

#### JetSuite Document Assistant

Word Excel WP 7.0 OCR WordPad 1-23 NotePad

#### Scan to E-mail

Easily scan and distribute documents using your supported e-mail application. Simply click the Scan to E-mail icon. Documents are scanned and routed to your e-mail inbox as portable documents. You can then e-mail the portable document to other users running Windows 3.1x, Windows 95 or Windows NT.

🖹 🗙 🌬 🏙 😽

-

.....

.....

#### JetSuite<sup>™</sup> Pro Desktop

When you scan a document, HP LaserJet 3100 software converts it into an image and then sends the document icon to the JetSuite Pro desktop. You can then drag-anddrop the icon into supported applications like Microsoft Word™ or WordPerfect™. The application automatically launches, allowing you to immediately begin editing or annotating the scanned document. You can also drag-and-drop the icon to buttons on the toolbar which allow you to print, fax or copy your document.

#### **Link to Applications**

When you install the HP LaserJet 3100, intelligent software automatically establishes links to your key office suite applications such as Microsoft Word and WordPerfect, allowing you to dragand-drop documents from the JetSuite Pro desktop or scan and manage documents directly from the supported application. Simply place the document in the automatic document feeder, then use the pull-down menu within the application to scan. Optical Character Recognition (OCR), included with the HP LaserJet 3100, allows you to scan documents directly into your word processing application and edit them without retyping the entire document.

## Copier

#### Make Convenience Copies Quickly and Easily

- Works as a standalone copier even without a PC
- Multitasks easily—lets you create copies, even while receiving faxes
- Laser-quality copies up to 6-pagesper-minute with automatic collation
- Clear copies of text and images with 600-dpi interpolation and photo mode
- Makes from 1 to 99 copies at the touch of a button with reduction/enlargement

## Scanner

#### Edit, Manage and Distribute Documents More Efficiently

- Scans documents quickly-up to 6 pages per minute
- Optical Character Recognition (OCR) software lets you scan text documents directly into your word processing application without retyping the entire document
- Scan originals from business cards to legal-size documents, up to 69 lbs
- Scan documents into e-mail for easy distribution
- JetSuite Pro desktop lets you view documents in thumbnail format or expand them to full-screen size for easy editing and annotation

#### PC Fax

Word Evel WP70

In addition to its standalone fax features, the HP LaserJet 3100 also comes with PC fax software that is fully integrated with the desktop and JetSuite software. The included PC fax software lets you compose faxes on your PC and send them through the HP LaserJet 3100, or combine electronic documents with paper documents in the same fax. You can also route incoming faxes to your desktop.

## **Technical Specifications**

-	
PRINT METHOD	HP LaserJet 3100 Printer•Fax•Copier•Scanner
-	Commented and in the desired on the second in the second sec
Engine Speed and	6 ppm-rated engine speed; instant-on fuser eliminates warmup time;
Processor	Motorola 68020 25.6-MHz processor
Resolution	600 x 600 dpi
Printer Language	Host-based printing with PCL 4 MS-DOS® emulation
Paper Handling	One 100-sheet paper input bin with single-sheet priority feed slot;
	one 100-sheet paper output bin with alternate straight-through path for
	wrinkle-free envelope printing
Media Types	Paper, envelopes, transparencies, card stock, postcards and labels
Standard Media Sizes	Paper: letter, legal, A4, 3 x 5 in (76 x 127 mm)
	Envelope: executive, Com-10, monarch, C5, DL, B5 and custom sizes
Paper Weights	16 to 28 lb (60 to105 g/m²) using paper output bin;
	16 to 42 lb (60 to 157 g/m²) using front output slot
Printable Area	Left/right margin: 0.25 in (6.3 mm) Top/bottom margin: 0.20 in (5.08 mm)
FAX COMPATIBILITY	ITU Group 3, Error Correction Mode (ECM), MH/MR/MMR/JBIG compressio
Transmission Speed	6 seconds per page"
Modem Speed	14400/12000/9600/7200/4800/2400 bps
Quick Dialing	175 programmable speed-dials and 25 group distribution lists, 10 one-touch
	front panel keys
Resolution	Standard 203 x 98 dpi, Fine 203 x 196 dpi, Superfine 300 x 300 dpi,
กรองเนแงแ	Photo Mode 300 x 300 (halftone-enabled)
Deaumant Tras. 0:4	
Document Tray Capacity Document Feeder Media	Up to 30 sheets (20-lb paper)
	12 to 69 lb (42 to 260 g/m <sup>2</sup> ); feeds paper, card stock, transparencies, photos,
Requirements	labels, carrier sheets and more
Fax Paper Sizes	A4/letter/legal/long page length mode
Additional Features	Automatic fax/answering machine switching, distinctive ring detect
	(U.S. only), fax forwarding, memory receive, remote retrieval,
	delayed fax send, auto redial, fax reporting, broadcasting
Memory	Up to 150 pages fax storage"
PC FAX COMPATIBILITY	Class1/Class2
COPIER SPEED	6 pages per minute
Multiple Copies	1-99 with automatic collation
Resolution	Photo Mode: 300 dpi (halftone-enabled)
	Text Mode: 600 dpi interpolated with smoothing
Reduction/Enlargement	Reduce to 50%; enlarge to 200%
SCANNER COMPATIBILITY	TWAIN 1.6
Resolution	600 dpi enhanced (300 dpi optical) with 256 levels of gray
	Up to 6 pages per minute**
Speed Scannable Area	
	Min: 2 x 3.5 in (51 x 89 mm) Max: 8.5 x 39 in (216 x 991 mm)
GENERAL	
Software:	Includes drivers for Print, PC Fax and Scan, integrated PC Fax software,
JetSuite Pro for the	integrated desktop organizing scan and PC fax documents, drag-and-drop
HP LaserJet 3100	links to key applications, scanner editor, self-viewing portable document
Printer•Fax•	creation, easy access to device configuration, one-step scan, scan to
Copier•Scanner	e-mail, PC fax, copy functions and ReadIRIS professional OCR software
